3. If any unallocated funds still remain, payment shall be applied to your Divvy Visa account, if any.

Payments must also be made from a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, whether that be a wire, ACH, or payment initiated through our payment portal and include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. We do not accept payments in any currency other than US dollars, nor do we accept electronic payment from a non US bank account. Late Fee and Nonsufficient Funds Fee:

Late Fee: Your full balance is due at the time of your bill date. This statement represents a summary of activity during a monthly period, the balance shown on this statement may be different from what is actually owed at the time of your due date if there has been additional activity on your account. If we do not receive the full amount due by its payment due date, then we may assess a late fee equal to the greater of (i) 2.99% of all amounts past due on your Account or (ii) \$38.

Returned Payment Fee: If any payment submitted on your Account is returned or dishonored, including without limitation for nonsufficient funds, then we may assess a returned payment fee of \$38.

We may process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically, we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using our payment portal, submitting a payment over the phone, or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.
